PART 2

Report on trip to the New Forest: 07 April

Getting there

The college hired a coach which picked up the 25 students from Class H3 outside the college and took us to the New Forest. The journey took approximately forty minutes. The coach was comfortable and had Wi-Fi. Travelling by coach was a very efficient way of getting a group of people to the destination.

Choice of activities

At the New Forest, there are three activities to choose from: walking, cycling and horse riding. Most students went for horse riding and it was a new activity for nearly everyone. We were given a short lesson and then we rode into the forest on our horses. It was fantastic to learn a new activity and to see the beautiful forest.

Recommendations for future trip

Most students in class H3 suggest going to a music festival for the next class trip. Everyone enjoys music and most festivals have several bands on at the same time so there is a choice. Many festivals also have workshops where people can learn to play the drums, make kites, or even cook something.
