

PET SEMINARS FOR OFFICIAL EXAM MARCH 2013

Remember that the speaking and the written exam will be on Saturday the 16th of March 2013.

About 3 days before the exam I will send you your Confirmation of Entry (CoE) by email. This confirmation gives you details about the venue and the times for the different papers. You have to show it during the official exam sessions together with your Identity Card.

The seminars are going to be concentrated in one day, each session will last **3 hours**, so you will have a revision of the different parts of the exam in just one day. Please, **specify which day and time you would like to attend to**.
